

## ***LD-320D/LD-420D/LD-520D Automatic Powder Pouch Packing Machine***

Automatic Powder Pouch Packing Machine is suitable for powder material: milk powder, washing powder, protein powder, flour, tea powder, bakery powder, spices powder, coffee powder, medical powder, etc.

### **Features:**

1. The equipment frame is made of food-grade 304 stainless steel for safety protection. An Independent temperature control system is adopted, the temperature control is accurate, and the sealing is beautiful and smooth.
2. Servo motor film pulling, PLC control, touch screen control, automatic control capability of the whole machine, high reliability and intelligence, high speed, and high efficiency.
3. It can be automatically adjusted through the touch screen to correct the deviation of the sealing and the incision, and the operation is simple.
4. The touch screen can store a variety of packaging process parameters for different products, which can be used at any time without adjustment when changing products.
5. The machine is equipped with a fault display system, which can help troubleshoot in time and reduce the requirement for manual operation.
6. It can be made into pillow bags, pin bags, hanging hole bags, and even bags according to customer needs.
7. The whole machine adopts a closed mechanism to prevent dust from entering the device.

**Specification:**

<b>Model</b>	<b>LD-320D</b>	<b>LD-420D</b>	<b>LD-520D</b>
Film Width	Max.320mm	Max.420mm	Max.520mm
Filling Range	150-800ml	150-1500ml	150-2000ml
Bag Length	80-240mm	80-300mm	80-350mm
Bag Width	50-150mm	60-200mm	80-250mm
Packaging Speed	5-70 bags/min	5-60 bags/min	10-50 bags/min
Machine Power	220V, 50/60HZ, 2KW	220V, 50/60HZ, 2.2KW	220V, 50/60HZ, 3KW
Machine Size (L*W*H)	1185*935*1245mm	1217*1015*1343mm	1488*1080*1490mm
Machine Weight	550KG	650KG	750KG
